Disciples Commitment

Global Ministries staff commits to walking with your congregation as it seeks to be a Global Mission Congregation within the Christian Church (Disciples of Christ). Bob Shebeck, Executive of Mission Interpretation and Constituency Relationships, will be your primary contact person as you have questions and seek to discern how God would have you engage in global mission.

Each staff contact will be responsive to your inquiries to help your congregation take the necessary steps to engage in a particular program area. The work of Global Ministries’ five area offices will also facilitate connections with international partner churches and organizations.

Upon completion of this commitment form, Global Ministries will recognize your church with a Certificate of Recognition during an in-person presentation (if possible). Your congregation will also be listed as a Global Mission Congregation on the Global Ministries website. We pledge our on-going support in your global mission efforts.
