God of new beginnings, We ask you to bring peace to students who are adapting to a new place of study, a new country and a new circle of friends. Calm anxieties about those family and friends left at home during this time of study and learning. We trust that you have brought us to this place to discern your will for our lives and for your work. Amen.

Holy God, many students have plans for their future when they arrive at the Universidad Biblica Latinoamericana. We pray that you will bless their plans and prepare them for bringing their projects to fruition. Give our students the skills, the insights, the learning that they need to be a blessing to those who await their return. We pray that they may be like fruitful trees, planted by the water, bringing blessings to those who wait for them at home. Amen.

Generous God, we pray a special blessing on the individuals, the churches and the institutions that grant scholarships to the UBL students. Their generous giving and their attention to the needs of the church universal are like warm and caring hands reaching out to encourage these students and the UBL faculty. Help us to be humble in receiving these gifts from friends who become one with us in mission though many times unseen and unknown. Amen
